

Full Sun / Dry - Pollinator Garden Plan #1

(a) - annual
(p) - perennial

1
Butterfly weed (p)
Asclepias tuberosa,
Early blooms, up to 1'
Alternate: green milkweed (p)
Asclepias viridis

2
Indian blanket (a)
Gaillardia pulchella, up to 1'
Deadhead for blooms all summer,
Alternate: basketflower (a)
Centaurea americana

3
Narrow-leaved coneflower (p)
Echinacea angustifolia
Blooms midsummer, 2-3'
Alternate: *Echinacea pallida* or
Echinacea purpurea (p)

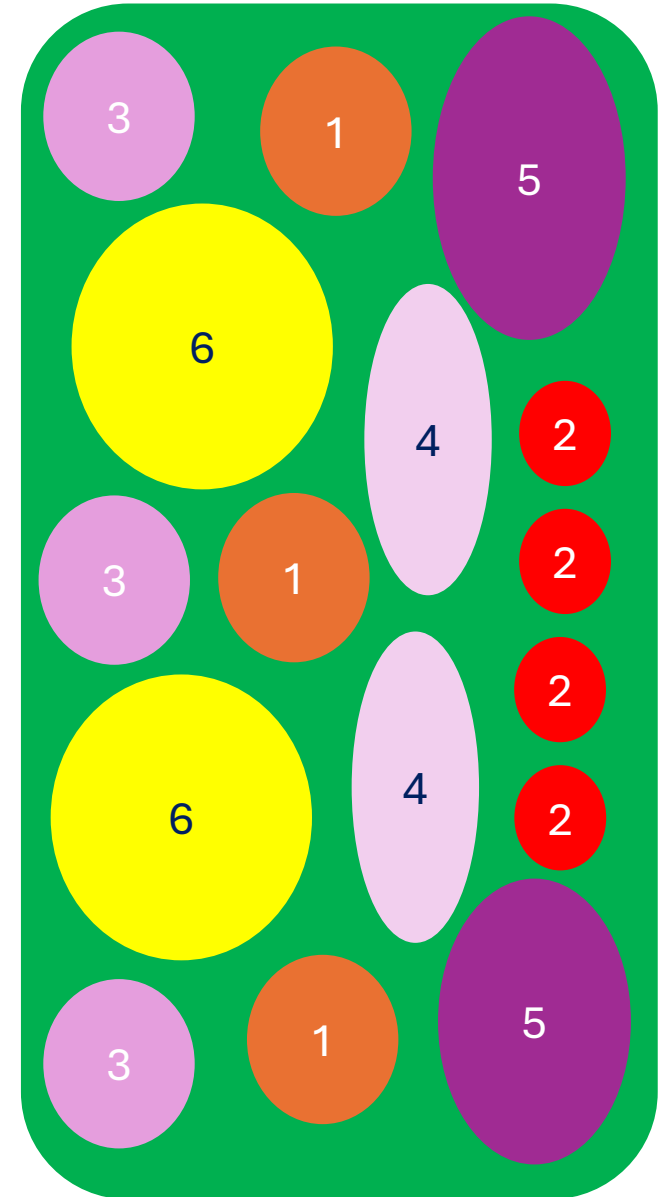

4
Beebalm (p) *Monarda fistulosa*,
Blooms midsummer, 2-4'
Alternate: *Monarda citridora* (a), *Monarda*
bradburiana or *punctuata* (p)

5
Aromatic aster (p)
Symphyotrichum oblongifolium,
Blooms late summer/fall, 2-2.5'
Alternate: *Symphyotrichum*
praealtum/*lateriflorum*/*turbinellum* (p)

6
Showy goldenrod (p)
Solidago speciosa,
Blooms late summer/fall, 2-3'
Alternate: *Solidago*
rigida/*nemoralis*/*missouriensis* (p)

Full Sun / Dry – Pollinator Garden Plan #2

(a) - annual
(p) – perennial

Autumn sage (p) *Salvia greggii*,
Blooms early and again in late summer
through fall, woody shrub 3x3'

Alternate: Shrubby St. John's Wort (p)
Hypericum prolificum

Gaura (p) *Oenothera lindheimeri*,
Blooms all summer, 2x2',
Comes in pink or white

Foxglove beardtongue (p)
Penstemon digitalis,
Blooms spring, 2'
Alternate: 'husker's red' variety or
Penstemon grandiflorus

Threadleaf bluestar (p)
Amsonia hubrichtii,
Blooms spring, 2'
Alternate: *Amsonia tabernaemontana*
or *Amsonia illustris* (p)

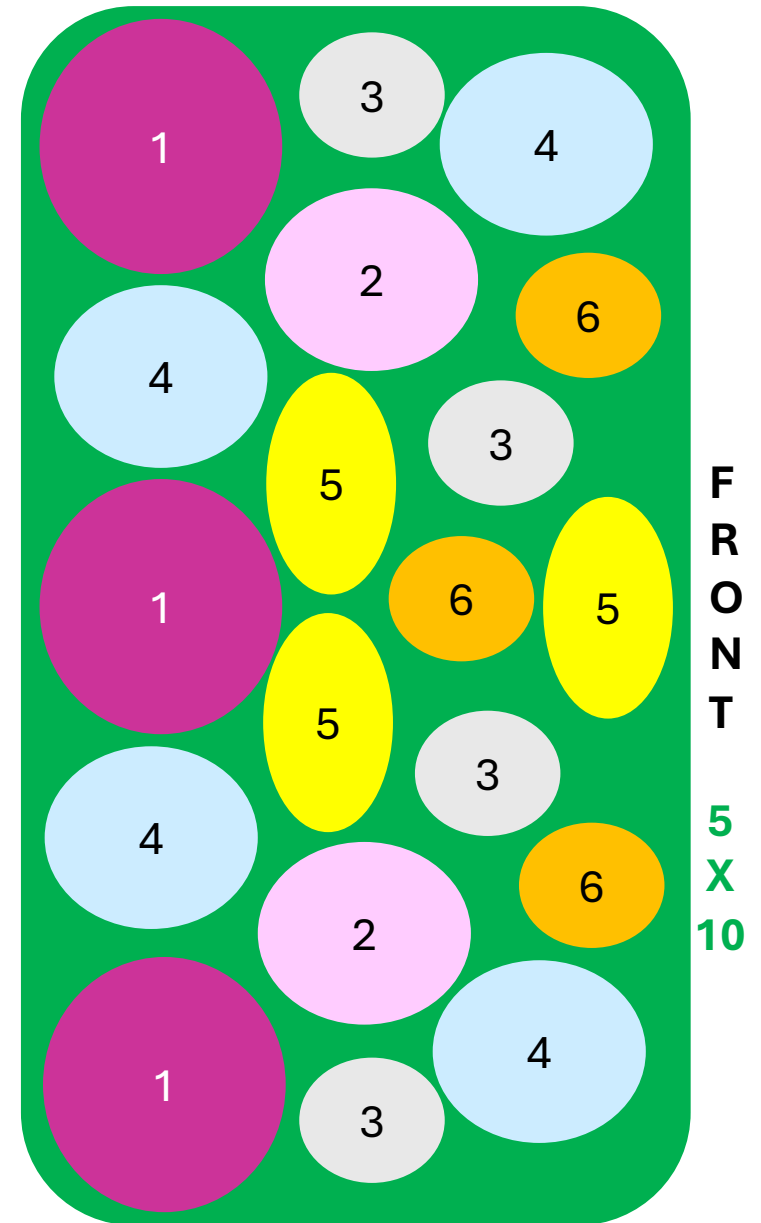

Coreopsis lanceolata (p),
Blooms summer
deadhead for continuous blooms, 2'

Alternate: Cutleaf daisy (p)
Engelmannia peristenia

Mexican hat (p)
Ratibida columnifera
Blooms summer, 2'
Alternate: *Ratibida pinnata* (p)

Part Shade/Medium-Dry Pollinator Garden #1

(a) - annual
(p) – perennial

1
Beautyberry (p) *Callicarpa americana*,
Woody shrub with ornamental berries in fall,
cut back end of winter for compact growth, Fall blooms, dense clusters of small
3-5x3-4'

2
Late boneset (p) *Eupatorium serotinum*
Fall blooms, dense clusters of small
white flowers, 2-3'

3
Plain's oval sedge (p) *Carex brevior*
Hardy drought tolerant,
grows 1-1.5' tall,
stays green year round

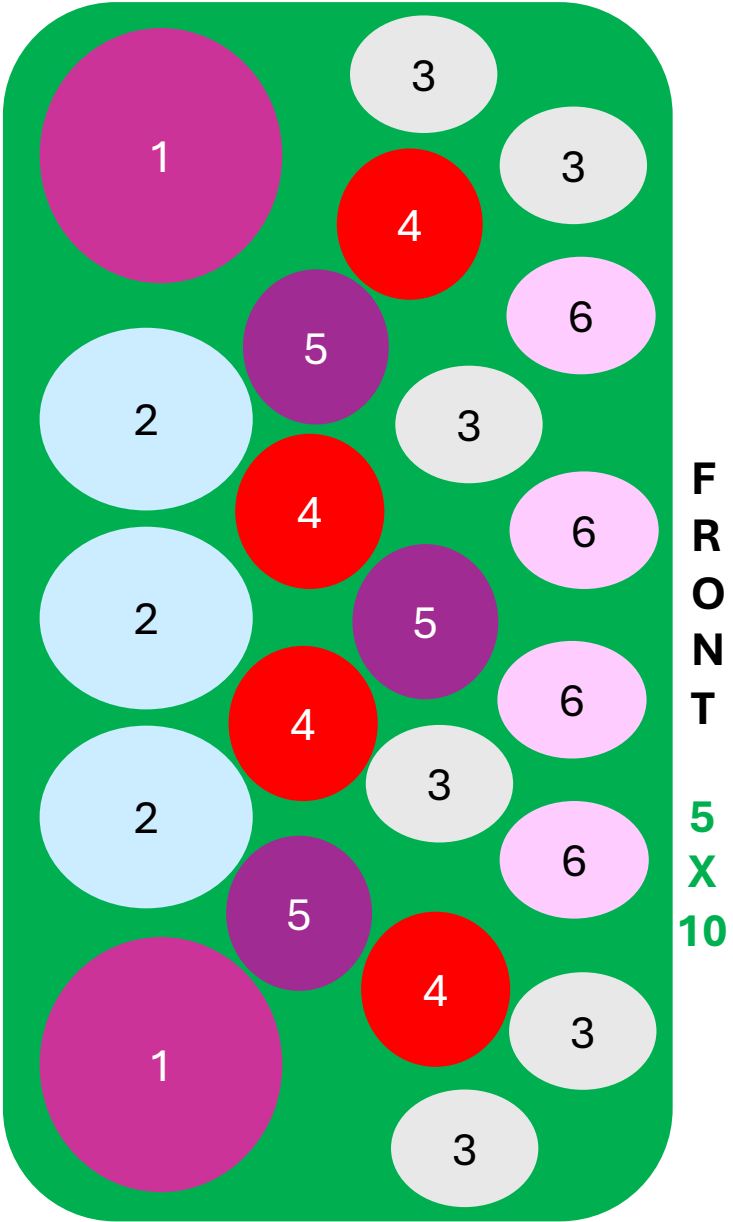

4
Columbine (p)
Early blooms, about 2' tall

5
Woodland phlox (p) *Phlox divaricate*
Bright purple-y blooms in spring, 1x1'
Alternate: pigeonberry (p)

6
Violet (a/p) *Viola*, Dainty
heart-shaped leaves, light purple
flowers early spring, 6-10 in tall

Part Shade / Medium-Dry - Pollinator Garden #2

(a) - annual
(p) – perennial

1
Coralberry (p)
Symphoricarpos orbiculatus,
Delicate woody shrub produces berries
in fall, can be cut back end of winter
for compact growth, 3x3'

2
Purple meadowrue (p)
Thalictrum dasycapum
Delicate feathery leaves, purplish
stems with creamy green flowers
in spring, 2-3'

3
Frostweed (p) *Verbescina virginica*
White flowers in fall, at first frost
stems exude water that freezes into
fascinating shapes, 2x4'

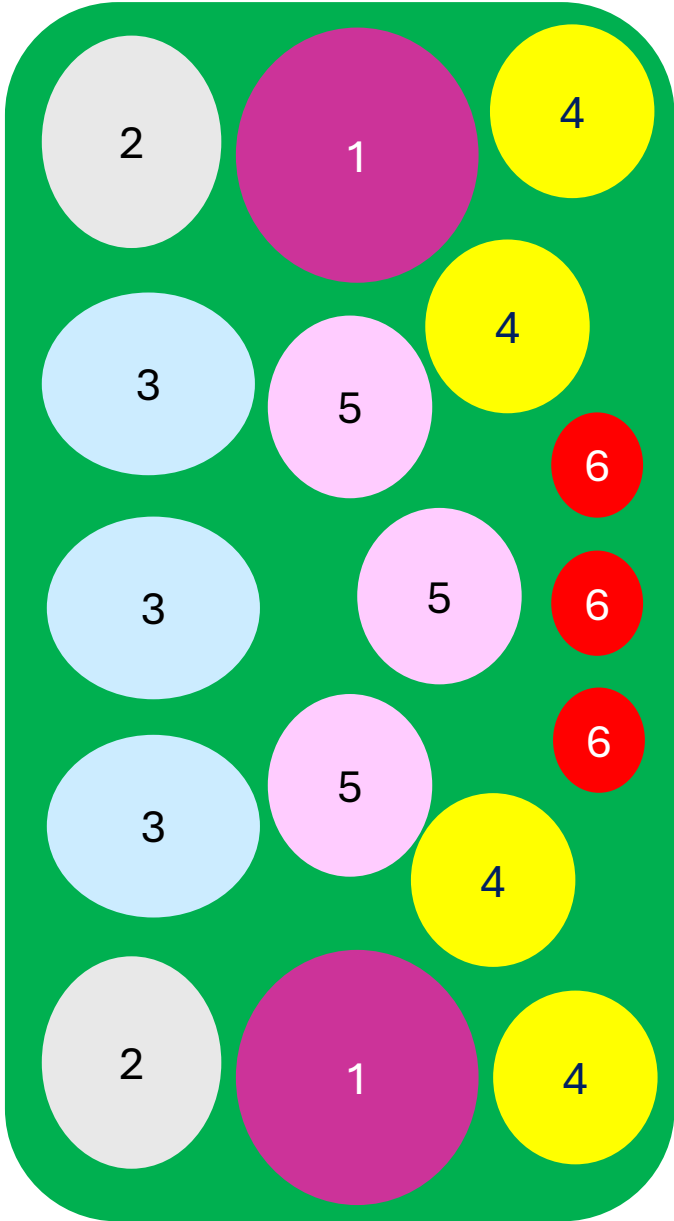

4
Blue-stemmed goldenrod (p)
Solidago caesia, Smooth purplish,
arching stems with yellow flowers,
blooms late fall, 1-3'

5
White snakeroot (p) *Ageratina altissima*,
Flat-topped clusters of small fuzzy white
flower heads, attracts a wide variety of
pollinators, mid-late summer blooms, 2-4'

6
Wild strawberry (p) *Fragaria virginiana*
ground-hugging plant that will spread with
stolons, flowers are small and bloom
early spring, fruit is small and
gone quickly
